New Jersey Perinatal Associates
Compassionate Care. Clinical Excellence.

Welcome Dr. Kathy Matthews

Dr. Kathy Matthews is one of the newest members at New Jersey Perinatal Associates. She grew up in Ontario, Canada before moving to the United States, and earned her medical degree from George Washington School of Medicine & Health Sciences. She went on to complete her Obstetrics & Gynecology residency at Icahn School of Medicine at Mount Sinai and her Maternal Fetal Medicine fellowship at New York Presbyterian-Weill Cornell Medical Center.

Dr. Matthews is board-certified in Obstetrics & Gynecology and is a member of many prestigious organizations in her field, including:

- New Jersey Maternal Fetal Medicine Society
- American Institute of Ultrasound in Medicine
- Society for Maternal-Fetal Medicine
- American College of Obstetrics and Gynecologists
- Association of American Medical Colleges

Dr. Matthews has also fulfilled various leadership positions and has a strong history of volunteer work. She has presented on many topics in her field and authored numerous publications. Her research interests include preeclampsia prevention, prenatal diagnosis, and enhanced recovery after surgery for cesarean delivery.
